To Whom It May Concern:

It is with great confidence that I write this letter of recommendation for Lindsey Tucker. Over the course of the last three years that Lindsey has worked here, at the North Clackamas Aquatic Park, she has exhibited exceptional friendly disposition and teamwork skills; she has also shown a high degree of professionalism, eagerness to learn, and respectful manner.

The qualities that Lindsey possesses ensure her effectiveness as part of our team. Her ability to provide caring customer service is always performed to the highest standard, and she often volunteers to aide fellow staff members in their time of need. She consistently presents a willingness to undertake additional responsibilities, and always carries out tasks to the best of her ability. I am fully convinced that Lindsey would perform exceptionally in any task assigned to her.

Lindsey's ability to learn quickly, along with her strong work ethic, makes her a perfect candidate in any workplace or learning environment. With her shown friendliness, professionalism, and teamwork skills, I can sincerely recommend her for any program. If there are any other questions or if you would like further information regarding Lindsey's employment here, please do not hesitate to call.
